Sir,

Sub:- Post of Headquarters Assistant to the Director of Fisheries in the Department of Fisheries - Amendments of the Cadre and Recruitment Rules - Proposals - Submitted -

In the Cadre and Recruitment Rules of the Department issued in Notification No.GAD 51 GRR 57 dated 20th June, 1960, it is prescribed that the post of Headquarters Assistant to the Director of Fisheries in the scale of Rs.275-20-375-25-600(1961 scale) should be filled up by direct recruitment or by promotion from the cadre of Assistant Superintendent of Fisheries(Executive). In this connection, I have to state that the department is a developing one and in recent years the purely administrative part of the work of the headquarters Assistant has been increasing considerably. There are at present, the post of Assistant Director of Fisheries(Marketing), and Superintendent of Fisheries (Information and Utilisation), attached to the headquarters which are technical posts to assist the Director in Technical matters. Besides the post of Director is also a technical one. I have also submitted proposals to Government for creating a post of Deputy Director of Fisheries at headquarters to assist the Director in both the technical and administrative fields. Hence, the post of Headquarters Assistant need not be filled in by a technical hand. The present incumbent in the post is a technical Officer who is saddled with administrative work. In view of the present dearth of technical hands it seems a waste of technical personnel to saddle them with purely administrative work.

2. In the Government Order No.FD 17 SRP(1)61 dated 27-2-1961, revising the scale of pay of the Government servants in the Mysore State from 1-1-1961, it is directed that in all departments, posts like Headquarters Assistant which do not require technical or high academical qualification may be filled up by promotion from the ministerial cadre of the department, provided suitable men are available to fill such places (Para X(c)). In accordance with the above policy of the Government, it is desirable that the post of Headquarters Assistant which is now filled up by a technical

p.t.o.

officer is filled up by senior ministerial personnel also which will enable technical persons to be withdrawn for attending to technical work. Besides, it would provide an incentive to the ministerial staff in the Department among whom there are experienced Superintendents who have put in many years of service and are even nearing retirement. There will therefore be no dearth of suitable men in the ministerial cadre within the Department, for being appointed as Headquarters Assistant. At present there is no scope for the ministerial personnel to aspire for promotion to the Gazetted Cadre.

3. I, therefore, propose that the cadre and recruitment rules of the department as far as they apply to the post of Headquarters Assistant may be amended as noted below, so that the post can be filled up by promotion of persons from the ministerial cadre when suitable persons are available in that cadre. Alternative provision is also made for filling up the post by transfer from the cadre of Superintendent of Fisheries (Class-II).
